

**Department of Health and Environmental Control  
Division of Mining and Solid Waste Permitting**

**MODIFICATION INFORMATION\***

**Modification to Mine Operating Permit I-00099  
Martin Marietta Materials                      North Columbia Quarry**

**MODIFICATION REQUEST:**                      to add 700 acres of land to the current mine operation. The requested addition is located north, northeast and east of the existing mine (see enclosed map).

Of this 700 acres the existing pit will be expanded by 87 acres bringing the total acreage of the existing pit to 177 acres. Overburden storage areas and berms will be increased by 136 acres. Buffer acreage will be increased by 486 acres.

**Location:**                                      The quarry is located in Richland County about 6.0 miles northwest of Columbia, S.C. Specifically the site is approximately 1.3 miles west of SC Highway 215 N (Monticello Road) near the east banks of the Broad River about 4.6 miles north of US Interstate Highway 20 on the north side of the city of Columbia.

*\*Information included is proposed by the company in the application to modify the permit. This information may change based on the complete review of comments and other information received by the Department.  
NO DECISION has been made concerning this permit modification*
